<b>Proposed Finance</b>		
	Lender	
	Finance Amount	\$
	Term (months)	
	Repayments (monthly)	\$

### **Fees Payable by You to Us**

When your loan has been settled by the Lender, you may be required to pay us a once off origination fee for the credit assistance we provided you (unless you have previously paid it). The amount of this fee will be:

**Up to \$990.00 (including GST) for loans of under \$5,000.00; or**

**Up to \$1,300.00 (including GST) for loans of \$5000.00 and more; or**

**\$..... (including GST) for your loan as negotiated between you and us. Any negotiated fee will not be greater than the applicable fee stated above.**

You may choose to pay the fee directly to us or include it in your loan amount.

### **Estimate of Fees and Charges Payable to the Lender**

You must pay the following estimated fees and charges to the Lender if your loan is approved and settles (the final amounts will be shown in your credit contract from the Lender):

### **Commissions Payable to Us and Our Credit Representatives**

An upfront commission of your loan amount may be paid, directly or indirectly, by the Lender to us for our role in arranging your loan. We estimate the commission will be between \$ and \$ . The method used for working out the amount of the commission is a .

The total amount of commissions we may receive is estimated to be \$ .

The total amount of commissions our credit representatives (excluding any of our employees and directors who are our credit representatives) may receive in relation to your loan is estimated to be \$ .

### **Estimate of Credit Available after Paying Fees and Charges**

We estimate that the amount of credit available after paying the fees and charges to the Lender and to us will be \$ .

**Commissions Payable by Us**

When your loan settles with the Lender, we may pay a one off commission in the form of a referral fee, typically within the range of \$0.00 and \$0.00 (including GST), to the person/entity who referred you to us. The method used for working out the amount of the fee is a Percentage of Net Amount Financed.

We may also pay commissions to third parties (being employees, related persons/entities or referrers) for introducing credit business or business proposed to be financed by credit contracts. We estimate such commissions to be between \$0.00 and \$0.00 in aggregate.

From time to time we may provide other benefits in the form of conferences and training sessions. We estimate the value of such benefits to be no more than \$0.00 per person per instance.

**Total Commissions Payable**

The total amount of all commissions payable, based on the amounts estimated, is \$0.00.
